Dear Hiring Team,

I am excited to apply for the Personal Assistant position with The Williston Northampton School. What especially drew me to this opportunity is the school's emphasis on community, communication, personal growth, and supporting students in a meaningful way. I appreciate environments where people are encouraged to learn, collaborate, and contribute with purpose, and that strongly resonates with me.

My background includes experience in administrative support, customer service, operations, design, and client-facing roles where organization, communication, and adaptability were essential every day. I've managed scheduling, coordinated multiple responsibilities at once, handled correspondence, maintained organized records and files, and supported day-to-day operations while maintaining professionalism and attention to detail.

I'm someone who genuinely enjoys helping things run smoothly behind the scenes. I'm highly organized, dependable, and comfortable balancing multiple priorities while staying calm and responsive in fast-paced environments. I also value clear communication, professionalism, and creating positive experiences for the people I work with and support.

What interests me most about this role is the opportunity to contribute within a collaborative educational environment that values both excellence and personal growth. I would love the opportunity to support your team while continuing to grow professionally in a community-focused setting.

Thank you for your time and consideration. I look forward to the opportunity to speak further.

Sincerely,
